

DALI2 Sensor

Illuminance + PIR 2 in 1 Function

- > DALI2 illuminance+PIR sensor
- > Ceiling mount installation
- > Recommended installation height: 3 M
- > PIR detection rang :up to Ø8m,Angle 99°
- > DALI bus powered consumption 4mA,Max 9mA
- > Lux detection rang 0~1024LUX ;resolution ratio : 1lux
- > Configurable via DALI-2 compliant central controller
- > Multiple sensors can be installed on the DALI- line

38/26/46mm

Model: KC-Sensor-PIR **NEW**

- > DALI bus powered consumption 4mA,Max 9mA
- > IEC62386-101 ,303 ,303,304
- > Instance Number: PIR:0 / LUX: 1
- > Hole size:28~32mm,Easier to install
- > Illuminance + PIR 2 in 1 function,
you can also choose one of these functions according to your needs
